Health rider

Lightly used. Excellent condition

The HealthRider still stands as one of the best ways to get a low-impact, calorie-burning workout in minutes a day. Thanks to a wide, rotating handlebar and dual pedals, the HealthRider gives you an effective, versatile workout no matter your fitness needs. With a patented linkage system and a Smart Seat, the HealthRider delivers a smooth, comfortable motion every time. Other features include an LCD monitor and a built-in weight bracket, giving you added resistance for more results.
